## INVITATION LETTER

Dear concerned individuals, organizations and businesses,

In order to enhance the application of scientific and technological advances in production, diversify products, improve the added value of agricultural products and develop Vietnam's agriculture towards modern, effective, sustainable and to support businesses to exhibit their products, promote and expand business cooperation with partners, within the framework of the National Trade Promotion Programme 2019, CanTho Promotion Agency (CPA) in cooperation with Vietnam Trade Promotion Agency (Vietrade) jointly organize the **"Vietnam International Agriculture Fair 2019"**, with the theme "Mechanization application, improving efficiency in agricultural production" which is to take place at the CanTho Promotion Agency (*No. 108A, Le Loi Street, Ninh Kieu District, Can Tho City*) from November 6<sup>th</sup> to 10<sup>th</sup> 2019 (5 days).

In recent years, agriculture in the world and Vietnam has undergone a complete renovation, thanks to scientific and technological advances and achievements in research and application of efficient post-harvest systems. All of these factors will continue to be exploited and expanded in the future to create and offer the best quality products to the global agricultural market.

With the **"Vietnam International Agriculture Fair 2019"** held in Can Tho, we expect that through exhibiting the methods and processes of post-harvest processing and diversification of high quality agricultural products to enhance the production capacity, Vietnam product brands and creating opportunities for trade and investment promotion and export of Vietnam agricultural products worldwide.

We are aware that the exhibition and trade fair will be successful with a suitable condition for networking and exchanging business opportunities. So we have attempted to arrange and organize a numerous symposium workshops, seminars, trainings and on-site meetings to assist you in arranging and meeting with relevant partners.

We would like to invite you attend this event. We do hope and believe that **"Vietnam International Agriculture Fair 2019"** will become one of the most respectable events in the world of Agriculture. The Organizing Committee will do its utmost to bring you an Agricultural event with full of interesting and Vietnamese impressed.

Wishing a successful event for all!

**Special thanks from Organizing Committee.**
